DIPLOMA IN SAFEGUARDING OF MINORS
AN INTERDISCIPLINARY APPROACH
FRIDAY, FEBRUARY 26th, 2016

- Palazzo Frascara - Piazza della Pilotta 4 -
  Rome, Italy
The seminar method of teaching will allow students to actively participate and to discuss practical problems and case-studies with respect to sexual abuse and the safeguarding of minors. The seminars will be held in English. Other languages are also acceptable in conversations, discussions, and written papers.
